All players must have been ruled academically eligible by their school and the Ohio High School Athletic Association (OHSAA) in order to participate. This game combines tradition with an innovative approach.

The Thanks4Giving High School Football All-Star Game is unique because:

- It brings back a tradition of high school football on Thanksgiving morning
- Players have an additional opportunity to impress college coaches
- It revives a tradition within the community

In addition,

- The newly created Joy Janay Brophy Fund will make a donation to the Ronald McDonald House.
